Title of Information Collection: State Annual Long-Term Care Ombudsman Report.

Type of Request: Extension, with no revision.

Use: Extension of format for states to report on activities of their Long-Term Care Ombudsman Programs as required under Section 712 of the Older Americans Act, as amended.

Frequency: Annually.

Respondents: State Agencies on Aging.

Estimated Number of Responses: 52.

Total Estimated Burden Hours: 9,000.

Additional Information or Comments: The Administration on Aging is submitting to the Office of Management and Budget for approval an extension, with no revision, of a reporting form and instructions for the State annual Long-Term-Care Ombudsman reports, pursuant to requirements in Section 712(b) and (h) of the Older Americans Act.

The form for which extension is requested was approved by the Office of Management and Budget, on an emergency basis, for use by the states in reporting on activities in FY 1997. It is the same form used by the states for their FY 1996 reports, except for minor changes made for the FY 1997 emergency request. These changes:

(1) modified the wording of some of the complaint categories to assist respondents in categorizing some complaints which were being placed under "other" and

(2) stipulated that several narrative responses which had not changed since the previous report do not need to be repeated.

The reporting form is for federal fiscal years 1998-2000. Written comments and recommendations for the proposed information collection should be sent within 60 days of the publication of this notice directly to the following address: Office of Elder Rights Protection, Administration on Aging, Attention: Sue Wheaton, 330 Independence Avenue, S.W., Washington, D.C. 20201.
